# SUMMER

Healthy Holiday  
Activities

## Carnforth Community Primary School

Mon 19th August  
Tues 20th August  
Wed 21st August  
Thurs 22nd August

10.00am - 2.00 pm

A healthy lunch will be  
provided during the sessions.

Come and join us for oodles of fun...  
learning and playing some of the  
coolest, smartest, fast witted and  
amusing board games from across the  
world. Games that are easy to pick up  
but hard to put down! The  
cornerstone of our "Learn to Play,  
Play to Learn" motto.

With lots of new games hot off the  
press that are guaranteed to make  
you smile!

Make your move and come join us ...  
take on your friends, make some new  
friendships and have a wonderful  
time!

Free spaces available for all Primary  
and Secondary School aged children  
and young people in receipt of free  
school meals and children and young  
people who have Special Education  
Needs or Disabilities.

We cannot wait to see you!

## Department for Education

During the Summer Holidays Imagination Gaming are returning to Lancaster and coming to Carnforth, to deliver activities that help support the Healthy Holidays Programme at

*Lancaster Road Primary School and Carnforth Community Primary School.*

Our 'learn to play, play to learn' activity programmes are hugely popular and our vast compendium of tabletop games means that we have something for all.

Visit our website here.

The sessions run from **10.00 am until 2.00 pm** on the below dates:

Lancaster Road Primary School:

- **Monday 12th August**
- **Tuesday 13th August**
- **Wednesday 14th August**
- **Thursday 15th August**

Carnforth Community Primary School:

- **Monday 19th August**
- **Tuesday 20th August**
- **Wednesday 21st August**
- **Thursday 22nd August**

During the sessions a healthy lunch is provided with plenty of water and fresh fruit for snacks.

Our ethos is all about learning and challenging the children through fun and play. Our resources will have children thinking "I can do this, I enjoyed doing this, I want to do this again!" This has a hugely positive impact on children socially, developmentally, and academically.

With activities that:

- Boost maths skills
  - Help children work on communication skills
  - Improve memory and cognitive skills
  - Inspire imagination
  - Teach new information
  - Foster perseverance and concentration
  - Develop logic and strategic thinking
  - Promote a positive attitude towards challenging tasks
  - Help with teamwork and leadership skills

If you could help us promote this fantastic **FREE opportunity** to all your eligible families I would be extremely grateful. The attached flyer can be printed and popped in children's book bags or you could simply download and promote via the school Twitter Page or Class Dojo etc... You may however simply wish to add the image to your end of term Newsletter.

Many thanks,

**Sarah Horn**
