Dear Parent

Your child is coming home with the new Autumn Winter Menu 2023/24 this afternoon, which commences after the half term holiday.

Please have a look at it and discuss it with your child. If they would like to start having a school lunches please contact the School Office – lunches are bookable and payable on ParentPay - you can book a lunch on any day (please let your child's teacher know if they are having a lunch other than a packed lunch).

Please can I remind parents that although the menu choices are shown on ParentPay, they are for information only purposes and not 'live' - meaning that you can book a lunch on any day – but unfortunately you cannot choose/book a particular 'choice' of meal from the system. This is because ParentPay is not currently linked to the kitchen. However, children can choose on the day when they go up to the hall. If your child would regularly prefer a particular meal, please circle the 'Main Course' on the paper copy menu, return it to school with your child's name and class - the kitchen will, more often than not; be able to accommodate their choice.

Thank you for your co-operation in this matter

Your sincerely

Mrs Marriner
