The World: Animals- This is an exciting topic for our children and we hope to extend this by seeing some animals as part of our enrichment. We will be focusing on; naming animals, describing key features and label them, compare animals and compare them to humans.

You could visit: Williamsons Park, Lancaster, Wildlife Oasis, Milnthorpe, Greenlands Farm, Blackpool Zoo.

You could use YouTube Kids to research different animals and discuss their features!

READING

The children will always have a reading book to bring home. The children should be reading at least 3 times a week, thinking about sounding out the words but also trying to understand what they are reading. This will be checked weekly and Dojo's will be awarded!

Our key focus is your **reading homework**- please try and read **AT LEAST 3** times a week. The other activities will help with your topic learning, and you will earn Dojo points. You can choose which activities you find the most interesting...or you can do them all! Upload photos, videos or voice recordings to your profile on Class Dojo, and we will look at them at the end of each half-term.

10 Dojos for each activity completed!
