How to make a withdrawal from your Parent Account

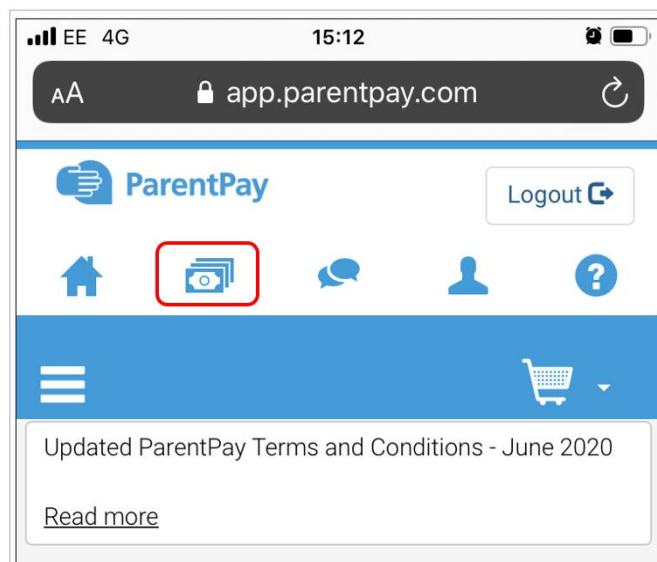

Your Parent Account enables you to maintain a balance within ParentPay which speeds up the process of making payments for items such as dinners or trips.

There may be occasions where it is necessary to make a withdrawal from your Parent Account, such as when a high-value school trip is refunded, or when you no longer have a child attending a ParentPay enabled school.

NOTE: This process only allows withdrawals of funds already in your Parent Account. Dinner payments or trip payments need to be refunded to your Parent Account by the school before it can be withdrawn.
