

Home Learning Rabbit Class ~ Autumn Term 1

Maths

Can You Count to 5?

Let's practise counting together! Try counting toys, books, or other objects around your house. You can also watch this fun video to help you:

Numberblocks – Count to 5 | Learn to Count

[@Numberblocks- Count to 5 | Learn to Count](#)

Challenge Time!

Can you write the numbers from 1 to 5?
Get creative—use paint, crayons, chalk, or even write in sand or mud! Have fun while learning!

The World About Us

Getting to Know You – Family Photo Request

This half term, we're enjoying lots of fun activities to help us get to know each other better!

To make our classroom feel even more special, we'd love to include a photo of your family on our display.

Please send a family photo via Class Dojo when you can.

Our key focus is your reading homework – please try to read **AT LEAST** 3 times a week. The other activities will help with your topic learning and you will earn dojo points. You can choose which activities you find the most interesting...or you can do them all! Upload photos, videos or voice recordings to your profile on Class Dojo and we will look at them at the end of each half term. 10 dojos for each activity completed!

* Reading *

The children will always have a reading book to bring home. The children should be reading at least 3 times a week, thinking about sounding out the words but also trying to understand what they are reading. This will be checked every Friday and dojos will be awarded!

Play and Leisure

This half term, we're focusing on getting to know our friends and learning how to take turns through fun and interactive games!

At home you can:

Try playing games like Pairs, Snap, or Board Games to help practise turn-taking. These activities are a great way to build social skills while having lots of fun together!

English

Phonics- Phase 1- Practise the letters of the alphabet.

<https://youtu.be/ffeZXPtTGC4>

Independence

Please focus on being able to get changed independently at home (this will help with getting changed for PE).

CREATIVE

Collect some autumnal natural resources, e.g. conkers, leaves and twigs, and create a collage.

Can you make a picture of yourself?
